NATURE LOVES BRIGHT COLORS we never see it exemplified more attractively than in the person of a spiendidly healthy woman. How does nature paint this health? Why, in the rosy checks, the transparent skin, the smooth red tips of such a woman. And she modified the firm flesh and rounded contours. The alling woman is deficient in natural coloring, and she does not even appear loadyantage in clothes that would set off her more attractive sister. Many women who long for glowing health will find that they, too, can have these charms if they will give a trial to that remedy which brings strength to frait women—Lydia.

Given Out?

S a dull, unceasing backache wearing you out? Are you tired in the morning; weak, nervous and depressed all day? Evening find you utterly played out and discouraged? You owe it to yourself, then, to find out the cause of your trouble. And it's time you gave some thought to your kidneys. Your kidneys, you know, the the blood-filters. Let them weaken and the effect on blood and nerves is quickly apparent. Your back aches, you have sharp stabs of pain; you are nervous, weak, fired-out and depressed. Your head aches, you are dizzy, and apt to have annoying bladder difficulties. But don't worry! If treated in time kidney troubles are usually

easy to correct. Just take things easier for awhile, get plenty of rest and sleep, and help your weakened kidneys with Doan's Kidney Pills. Doan's have helped thousands and should help you. Ask your neighbor !

My back hurt so I could hardly walk and every step took felt as though a sharp knife cut through me. I sent for a doctor and he massaged my back just over my kidneys and said I would be all right in a few days. I didn't get any better. I read in the paper about Doan's Kidney Pills helping a fellow countryman so I got a box at Bathbone's Brug Store and was helped. About five boxes of Doan's gave ma great relief.
